

# Santa Fe College Rules Manual

---

---

**Title:                      Outside Employment; Public Office                      Rule 3.18**

General Authority: FS 1012.855  
Law Implemented: FS 1001.64(18), 1001.65(3)

Effective Date:        August 19, 1982

---

---

**Purpose:** To state the restrictions related to outside employment and holding of public office.

Any full-time employee shall not accept outside employment which would interfere with the performance of duties assigned by the College, or which would conflict with working hours established by the College.

Employees of the College are entitled to seek and hold public office, provided that there is not a conflict of interest and that the holding of such office shall not interfere with College duties.
